

**OXFORDSHIRE COUNTY COUNCIL
(ASCOTT, MILTON AND SHIPTON-UNDER-WYCHWOOD PARISHES)
(SPEED LIMIT) ORDER 20**
STATEMENT OF REASONS**

As a result of road safety concerns being raised by Shipton Under Wychwood Parish Council, it is proposed to replace the existing 40mph speed limit on the A361 at the northeast end of the village with a 30mph speed limit.

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised whilst facilitating the effective and safe passage of traffic.

For administrative reasons only, the new order will be combined with the (Milton-Under-Wychwood Parish) (Speed Limits) Order and Ascott under Wychwood restricted roads.

Detailed documents accompany this document.
